

## RIHMAKURU

### Google GPS:

68.110356 24.157581

### Location:

Rihmakuru cottage is located close to Pallas fell in the middle of swamp area. You can reach the place by following signs marked as "TRL, Harrisaja and Loma-Laakso".

### Description:

There is accommodation in three log cabins. The log cabins (called Rihma I, Rihma II and Rihma III) will take 6 persons each and the wooden log cabin (Jalasmökki) will take 4 persons. There also is a wood storage room and a sauna.

All cabins have electricity, mattresses and kitchen utensils. Log cabins have gas-range cookers, fireplace and electric heaters and the wooden small hut has an electric heater and electric cooker, stove. When you leave the cabins, switch off the electricity from the main switch board, behind the second log cabin.
